

FOR IMMEDIATE RELEASE

February 24, 2017

TEG Architects grows architectural staff

Jeffersonville, IN – TEG Architects, an architectural, planning and interior design firm headquartered in Jeffersonville, is pleased to welcome Sean Abercrombie to the architectural team. Sean is a registered architect with more than 16 years of professional experience working on a variety of commercial, health care, higher education, hospitality, sports and transportation projects. Past experience includes work on the Speed Art Museum renovation + addition, Spalding University's Athletic Center renovation and various renovations to Brown-Forman corporate facilities.

Sean, a recent transplant to Kentucky, is a graduate of Ball State University where he focused on Architecture and Environmental Design. He is also involved in youth sports as a coach for the local AIM soccer league and is an amateur woodworker.

About TEG

TEG is an internationally recognized firm focusing on comprehensive facility planning, architecture, visualization and interior design services. Understanding the client's business, mission, challenges and competitive landscape forms the basis by which TEG delivers its menu of services. The firm specializes in health care, wellness, educational, municipal and commercial facilities.
