Local Business Ranks 49th Largest Health Care Architectural Firm in the U.S.

Louisville, KY – TEG Architects, a Jeffersonville-headquartered architectural and interior design firm, was **named 49th largest healthcare architectural firm in the U.S.** by Modern Healthcare magazine. Modern Healthcare, the industry's leading source of health care business and policy news, research and information, annually ranks firms based on volume of projects.

TEG ranked amongst the top architectural firms with completed health care projects totaling more than \$75 million in total construction cost value and 568,000 SF in 2016. During this year, health care projects accounted for 89 percent of TEG's work. The magazine has consecutively ranked the firm as one of the nation's largest for **nine years**. In 2016, the firm ranked 55th in the nation.
